

5/10K GreenFest ON THE GREENBELT

Dear Community Partner,

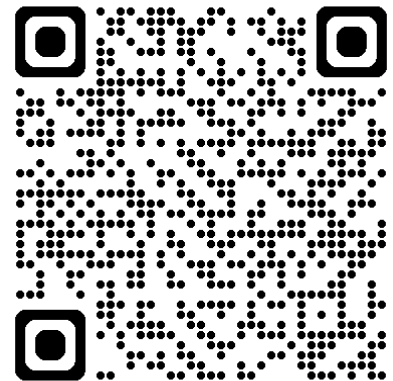

The Greenbelt Alliance was formed in 2009 to protect the beautiful Greenbelt Park from a proposed powerline. As Aubrey and Denton community members came together, raised funds and hired legal representation, we managed to protect the public lands surrounding the Greenbelt. Today, we continue to finance repairs and improvements in the park. We believe in the importance of maintaining the Greenbelt in its present scenic and natural state, so that we may pass on the beauty and peace of nature to the next generation.

Our 5th annual GreenFest on the Greenbelt 5/10K and 1 Mile Fun Run will take place on Saturday, April 12, 2025. We would like to offer you the opportunity to reach the 400-500 people who attend the event every year, as well as the nearly 100,000 people we reach through our website and social media accounts. Our festival area provides an ideal gathering space for local supporters and business leaders to share their products and company information.

Details of the various ways you can participate and the application are included in the following pages.
